Dj Music Events is an idea by Betty Dj Staff - [www.bettydj.com](http://www.bettydj.com) - she is an Italian Dj that since 2005 have developed a special musical experience in

[Weddings, Ceremonies](#)

, Anniversaries, Class Reunions, Civil Partnership,

[Birthday Parties](#)

etc.. of all nationalities also through collaborations with renowned Event planners.

Our [Sound](#) and [Lighting&nbsp;System Rental](#) services are designed for do-it-yourself renters and DJs, are user friendly and very affordable.

We are also able to offer an Audio and Lighting Service with professional technicians to create

Architectural and Scenic Lighting as well Public Address to make the right atmosphere for your Event customizing your location.

We offer everything from the most affordable Wedding DJ Services in Tuscany to the most elaborate DJ sound and lighting packages.

Since this year (2011) our team proposes the new " [SPECIAL EFFECTS](#) ".

We are able to provide "Fire Confetti" - "Bubble Machine" - "Laser Show" - "Flash Light Explosion" - "Sparkling Fountains" Etc. to let your Guests open-mouthed !!! [Please, look the section dedicated for more informations without commitment.](#)

This is a professional team and will help you to make your party a big success!!
